

NORTH PRESBYTERIANS
OPPOSE UNION PLANS

Want to Join With Southerners But
Reject Proposed Method—Want
Sunday Newspapers Stopped.

ENDORSE WORLD LEAGUE

Unanimous Approval Is Given to
Covenant and Senate Asked
to Ratify It.

ST. LOUIS, May 19.—Resolutions approving the proposed league of nations and emphatically condemning the publication of Sunday newspapers were adopted at today's session of the 121st general assembly of the Presbyterian church, U. S. A.

President Wilson's stand on the league of nations was endorsed unanimously and the senate was petitioned to ratify the covenant. The resolution recites that the defeat of the central powers virtually has crushed militarism and "has opened the way for a league of nations to conserve the peace of the world."

Spirited discussion preceded the adoption of the Sunday newspaper resolution, which calls on members of the church not to subscribe for, read or advertise in it.

A resolution stating the Presbyterians in convention here were not prepared to accept the proposal for the federation of all the Presbyterian and Reformed churches in America, but inviting the southern Presbyterians to unite with them, was dispatched to New Orleans where the Presbyterian church, south, is in general assembly.

All games, sports, unnecessary traveling, commercialized and uncommercialized entertainment on Sunday were denounced in other resolutions adopted.

SOUTHERNERS TO TAKE
ACTION ON REPORT TODAY

NEW ORLEANS, La., May 19.—

Charlotte, N. C., was selected today as the meeting place next year of the general assembly of the Southern Presbyterian church, which is holding its 59th annual session here.

The assembly late today decided to postpone until tomorrow action on committee recommendations for federation with the Northern Presbyterian church, which is in session at St. Louis.

Rev. W. R. Dobyns of St. Joseph, Mo., announced that if the assembly rejects federation with all Presbyterian bodies he proposes to present a plan for organic union with the Northern Presbyterian church. This announcement was made following receipt of dispatches from St. Louis telling of the rejection of the general federation plan by the northern church. Dr. Dobyns made a minority report opposing federation when the committee of the southern church on federal union recently recommended acceptance of the plan agreed upon by that committee and a similar committee representing the northern church.

Smallpox Patient in Pest
House Slashes Throat and
Then Tears Away Stitches

C. F. Twitty, who was picked up in West Tulsa several days ago by Dr. J. B. Gilbert and taken to the city pesthouse with smallpox, tried to commit suicide Monday afternoon by cutting his throat in several places with a safety razor, according to Dr. Gilbert.

Nothing is known of Twitty except a bank book found in his possession which showed he had an account in a bank in Major, Okla. He was picked up by the city health officials on the street and on being taken to the pesthouse he claimed to be from West Tulsa.

BUSINESS DISTRICT
STIRRED BY BLAZE

Gasoline in Street Gutter Catches
Fire—Policeman Burned and an
Auto Slightly Damaged.

South Main street, between Third and Fourth streets, was the scene of considerable excitement about a noon Monday night when a large crowd gathered to extinguish a fire which originated from gasoline leaking from an automobile parked along the curb.

A large number of machines narrowly escaped destruction from the flames leaping 20 feet in the air. Five extinguishers in the nearby stores, banks, drugstores and other available articles were used to keep the fire from spreading. Pedestrians on their way from shows volunteered in fighting the fire.

Traffic cop Hickens was slightly burned while directing the fight against the flames. His feet were burned and part of his clothing was burned from his body.

Back From Overseas

F. J. Friend, one of Tulsa's contributions to the Rainbow division, returned home Saturday, and is now visiting at the home of his brother-in-law and sister, Mr. and Mrs. M. J. McNulty. "Joe" Friend, as he is well known here, has been a resident of Tulsa for more than 21 years, and has a host of friends to welcome him back home from his eventful trip. Connected with headquarters company 163th Infantry, of the famous Rainbow division, he saw nine months service in the trenches of France, taking active part in the Meuse-Argonne offensive, the Meuse drive and the Sedan offensive, besides innumerable minor battles, and never received a scratch.

Ask Naming of Louthan.

WASHINGTON, May 19.—The entire democratic congressional delegation from Oklahoma called at the White house today to urge the appointment of Martin Louthan of Chickasha as district of Columbia judge.

AND AGAIN THE AUTO
THIEVES COME ALONG

Two Cars Complete Last Night's
Quota—One Man Had New Buick
Less Than Half a Day.

After a lapse of several days automobile thieves became active again Monday night, taking two machines from different parts of the city. Authorities in Muskogee, Okmulgee, Sapulpa, Vinita, Coffeyville and Joplin were notified by the police, but no trace of either machine was found.

E. T. Miller, 493 New Danville building reported the loss of a Chrysler luxury roadster which was taken from in front of the Exchange National bank building during the early part of the evening.

C. J. Copman, 1514 Forest street, of the Roxana Petroleum company, lost a new Buick touring car about 10:30 o'clock Monday night. The car was parked along the curb in the 1400 block South Main street. About an hour after he had left the car he saw a car turning the corner on Fifteenth street. He looked for his car. It was gone. The Buick had been taken out of the garage about 5:30 o'clock Monday night and was making its "trial trip."

Sues on Promissory Note.

Suit to recover \$1,826.35 was filed in district court Monday by the American Cement Plaster company of Lawrence, Kan., against Louis Jacob of this city, the plaintiff alleging the defendant is indebted in that sum on a promissory note made November 1, 1918. The plaintiff states that the note is long past due and unpaid, and asks judgment for the amount of the note, attorney fees and interest from November 1, 1918.

And Still Another
Man Hears of the
Great Metropolis

And still they want to come to Tulsa.

A letter received by Secretary Dinkins of the chamber of commerce from "John City" near Tulsa, Fla. yesterday says: "I have read so much of your wonderful city that I must visit it Tulsa, Fla."

"I am coming with the intention of opening a cigar business in your city. Our city is a great cigar manufacturing city, grown a large town by the cigar business. I have been alone in Tulsa. I don't see why the 'Wonder City' has to make cigars made in other cities, why not make them here and keep along the development of the community?"

A cordial invitation to visit Tulsa and bring his family with him was sent in return mail.

To Drive Out Malaria

And Build Up the System
Take the Old Standard GLEVES
TASTELESS CHILI TONIC. You know what you are taking, as the formula is printed on every label, showing it is QUININE and IRON in tasteless form. The Quinine drives out the malaria, the iron builds up the system. Price 60c—Adv.

TURN HAIR DARK
WITH SAGE TEA

If Mixed With Sulphur It
Darkens so Naturally No-
body Can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening hair, streaked and faded hair is Grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is one of the greatest advantages.

Nowadays, though we don't have the troublesome task of gathering the sage and the money mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wealth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears but what delights the ladies with Wealth's Sage and Sulphur Compound, is that, before actually darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive. —Adv.

100,000 PRESCRIPTIONS
WERE FILLED BEFORE
"40" WAS DISCOVERED

J. C. Mendenhall, Evansville, Ind., spent 40 years in the drug business, compounded over 1,000,000 prescriptions from physicians, educated in Europe and America before "Number 40 for the Blood" was discovered; the great specific for all blood diseases. Successfully employed in disease of the glandular system in blood poison, mercurial and lead poisoning, chronic rheumatism, catarrh, constipation, hepatic congestions, dyspepsia, and stomach troubles, eczema, ulcers, nodes, tumors and scrofulous swellings that have withstood all other treatment yield to "No. 40" sold by Steinberg Bros. By mail prepaid, \$1.25. Six bottles for \$7.00.—Adv.

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying Zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment Zemo is applied. In a short time usually every trace of eczema, tetso, pimples, rash, blackheads and similar skin diseases will be removed. For clearing the skin and making it vigorously healthy, always use Zemo, the penetrating, antiseptic liquid. It is not greasy and does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds. The E. W. Rose Co., Cleveland, O.

METHODIST CHURCHES
FAST GETTING QUOTA

Nearly Every Town in Tulsa District
Reports Full Amounts
Subscribed; Ends Sunday.

Nearly every Methodist church in the Tulsa district already has gone over the top in the centenary drive, despite the fact that the campaign did not formally open until noon Sunday. The Boston Avenue Methodist church subscribed its full quota one minute after the opening of the drive. Although no public announcement has been made by the first M. E. church, it was said last night by those in charge of the campaign that the quota probably would be subscribed by the latter part of the week.

The following list shows the towns in the district, with the quota and the amount subscribed:

Quota Subscribed

Chickasha \$1,400 \$2,035
Broken Arrow 1,250 1,300
Catoosa 1,250 1,300
Coffeyville 1,250 1,300
Cromwell 1,250 1,300
Curtis 1,250 1,300
Curtis 1,250 1,300

The FRIEND—
MAKING
Tube

Twice as Popular
in Last Six Months

AUTO OWNERS bought first one
tube, then another—until they dis-
covered the Buckskin tube. It made
friends with them right off. Twice as
many Buckskins were bought during
the past six months than during any
other similar period!

BUCKSKIN

The Tube Made for the Southwest Climate

The first glance at the Buckskin shows
that it is thicker than ordinary tubes. Yet it
costs no more than the others. So the motor-
ists figured that as long as the Buckskin
didn't cost any more, they might as well give
the Buckskin a trial. Last year in Oklahoma
alone, there was one Buckskin bought for ev-
ery other car in the state. And it made good!
Only 1-10 of 1% of the many Buckskins sold in
the last two years failed to live up to their
extra-liberal guarantee. (Ask the dealer
about this guarantee.)

Not only is the Buckskin thicker than the
average tube but it is tougher. It is especial-
ly treated to withstand the dry heat of the
Southwest climate. Won't get gummy, or
crack, or stretch. Keeps its life and shape
indefinitely.

Where High Grade Auto Supplies
Are Sold You'll Find Buckskin

All over the Southwest are dealers who
sell the genuine Buckskin. It's always packed
in the gray box with Indian head trademark.
In case your dealer hasn't the Buckskin he can
quickly get it for you from the closeby distrib-
utor. Ask him to.

Do you want
skin-health?

If you are suffering from eczema or
some similar distressing, embarrassing
skin eruption, why don't you get rid of
it by using Resinol Ointment? Unless
the trouble is due to some serious inter-
nal disorder, it quickly yields to Resi-
nol, and in most cases is easily healed
by it. The first application usually stops
itching and makes the skin feel cool and
comfortable. We recommend it with the
utmost confidence because of its
harmless ingredients. Aided by
Resinol Soap it acts even more
quickly.

Resinol

Ointment and Resinol Soap also help to clear
away pimples. Sold by all druggists and dea-
lers in toilet goods. Tube of each free. Dept.
J. S. Resinol, Baltimore, Md.
